Mr. Howland Wood, Curator,

and 156th Streets,
New York City.

Dear Sir:-

Mrs. Andrew C. Zabriskie requests me to acknowledge your letter to her daughter, Mrs. E. Powis Jones, of the 3rd instant, and to thank you for the catalogue of her collection of Polish coins, and she would like another copy of the catalogue in case you have made several carbon copies.

Mrs. Zabriskie is very anxious to have you furnish her, as soon as possible, with a complete list of all the coins, medals, tokens, etc., which you took from her safe on March 31st and April 4th, 1919.

You will remember, I made a rough memorandum at the time of the number of pieces on each tray, and the various metals, and you told me at that time that you would, during the summer, make a complete catalogue of the collection for Mrs. Zabriskie, describing each piece.

Please write to Mrs. Zabriskie, and let her know what progress you are making with the balance of the catalogue.

Yours truly,

Dear Sir:-

Your letter of the 5th instant received, and I wish you would make every effort to furnish Mrs. Zabriskie with a complete list of the balance of her collection of coins, medals, tokens, etc., before you take your trip to Europe.

You state "it is no more than right that she should have a list of these, and you will see that it is done".

Both Mrs. Zabriskie and I positively understood you to say, that you would furnish her with this list during the summer, and she has often spoken to me about it, and expressed her surprise at your delay.

This collection is very valuable, and I am anxious to check off your list with mine, and as you say Mrs. Zabriskie is entitled to it.

I wish you would write to Mrs. Zabriskie and explain the whole matter to her.

Yours truly,

My dear Mrs. Zabriskie:

Mr. Paepke informed me the other day that you desire another copy of the catalogue of the collection of Polish coins. I was under the impression that I had three copies made and sent you two. I can locate only one carbon copy here. If I cannot locate the other, I will have a new copy made and have sent you as soon as possible. However, this may take a week or so.

I must have misunderstood that you desired a catalogue of the rest of the pieces, which will account for my not having made this. I nevertheless am having this done, and will send you two copies as soon as possible. This will take a few weeks, but I will see that you have it shortly.

Very truly,

Curator.
